Concern : MTK+ guaranty

Dear Sirs,

We hereby confirm that all the critical components (rings, rollers, balls, cages etc) of the bearings marked MTK+ are only manufactured in ISO 9001 certified factories and produced with special care and keenest quality assurance techniques.

Designation is totally done according to ISO and DIN standards concerning rolling bearings.

Machine tools operators and quality control people, shaped by more then fifty years of tradition in bearings, add a touch of value to the MTK+ goods.

With best regards,
MTK+ Bearing Factory NV
